MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Request for Detail of Economics Officer to National Security Council

STATINTL

I refer to the exploratory conversations between [REDACTED] of your staff, and Robert Hormats, NSC Operations Officer for International Economic Affairs, about the possible assignment to NSC of an Economics Officer to replace his assistant who departs July 24.

If possible, we should like the services, on detail for six months, of an Economics specialist, at the GS-12 or -13 level, with a broad background in international economic policy, preferably with emphasis on international trade.

We will appreciate any consideration you may give to our request.
